Health Break 10:30 am-10:45 am Health Break 12:00 pm- 1:00 pm Health Break 2:15 pm- 2:30 pm	Course Description: This course is delivered by Nicola Valley Institute of Technology and it focuses on the twin topics of effective leadership and the role and mandate of the Board of Governors or Tribal Council. This includes balancing the leadership and management needs of an organization and sharing these functions effectively with the board. The governance functions of the mission statement, the role of the board, recruiting and orienting new board members, and board-executive director relations will be critically examined through experiential models and practices. Students will keep a single notebook or binder to hold their written notes and class handouts. This will develop the student's organizational skills and allow them to monitor their own progress in the course. This course is targeted for those who are employed and/or have administrative experience.
8:30 am – 3:30 pm	Artist Studio Performance Management Robin Henry, CPHR, BA, C.Dir
Health Break 10:30 am-10:45 am Health Break 12:00 pm- 1:00 pm Health Break 2:15 pm- 2:30 pm	Course Description: This is an introductory session on performance management. It is intended to provide you with an overview of performance management, to discuss the critical components and to provide you with practical applications in the workplace.
